**Subject:** Fund Juneau Access Fully

To Whom It May Concern:

My children are third generation Alaskans. For the sake of their futures and the futures of their children, please please please do the fiscally responsible thing and build roads where roads can be built and use ferries only where roads are not possible. Roads pay for themselves, ferries do not. The road is the future.

Every penny spent now on the road will save dollars in the future. Please fully fund the Lynn Canal project in the STIP now!

Sincerely,

Jim Scholz
